HAWAHAN ANNEXATION.

Indi Introduced in the Senate By Mr. Morgan.

Washington, June 23 .- Senator Morgan today introduced a bill for the annexation of the Hawaiian is lands. The bill provides that the islands shall become a territory of the United States in accordance with the terms of the recently negotiated treaty. The date set for the extenalon of the laws of this country over the Islands is the 4th of Ma ch, 1898, but it is specifically provided that they may be put in force at an earlier day if congress so directs. It is also directed that the five commissioners provided for by the treaty to make recommendations to congress in ma ters pertaining to Hawait shall be confirmed by the senate.

The till appropriates \$1.000,000 for the execution of its provisions Out of this sum the Interest on the Hawalian debt is to be paid, but pro- tempted assault upon the bitle daughvision for the payment of the principal of this debt is deferred.

In reply to a qu tion, Senator Morgan said that his till was intended to carry the annexation treaty into execution in co e it should be ratifled by the Senate, or - provide for Its ratification by the joint action of the two hous in case the Senat should reasse to act. "The treaty. said the Senator, can be ratified this form by a majority vote in ea of the two hous a, the avoiding t' necessity for securing two-thirds the Senate, as would be requir li the matter should be passed upon by that body rione."

The Senator said that circumstances would determine whether the bill should be pressed during the pre: ant session of Congress.
